# STATEMENT OF UNDERSTANDING

## THE ENROLMENT PROCESS

- **This agreement should be read in conjunction with the WWS Enrolment Policy and Procedure**
- It is important that your choice of Steiner Education for your child be an informed choice. We therefore strongly recommend that both parents/guardians (and custodial parent/guardian in the case of a single parent family) attend a School Tour in the year or term leading up to the requested year of entry into the school.
- Enrolling parent/guardian(s) must lodge the Application for Enrolment Form, including the non-refundable administration fee\*, a certified copy of the child's birth certificate, copies of two (2) most recent school reports and any other relevant documentation e.g. psychological assessments, specialist reports, learning support programs, behaviour management plans etc., at the School Office. The Privacy Statement and this Statement of Understanding regarding the conditions of enrolment must also be signed. Copies are provided to parents for ongoing reference.
- On receipt of a complete Enrolment Application, the student's name will be placed on the waiting list until a place becomes available. In making an offer of a place, the School will take into account and give priority to:
  - Siblings currently enrolled in the school
  - Transfers from other Waldorf/Steiner schools
  - Compatibility with and demonstrated commitment to WWS philosophy and ethos
  - Date of application
- Once a placement at the school becomes available, the Registrar will make contact to invite you to an initial interview with the Principal. A class teacher interview and finance interview follow the initial interview. Additional interviews may be required in certain circumstances.
- **Date of receipt of this form is deemed to be the 'date of application'. This application is valid for two (2) years. After this time, if you have not been offered a place, you may contact the school to extend your position on the waiting list for a further two (2) years. No additional fee is payable at this time.**

## FEES

- A finance interview is part of the enrolment process.
- All parents/guardians must establish a formal financial agreement with the school. This is a legally binding contract.
- A non refundable Enrolment Fee\* is due prior to the student commencing at the school.
- Fees are payable within 30 days of receipt of account. Administrative charges are applied to overdue accounts.
- In the event of the withdrawal of a student from the school, full fees will be charged for the current term. A minimum of six weeks notice prior to commencement of following term is required to avoid further charges being applied.

## EXPECTATIONS OF PARENTS/GUARDIANS

- Parents/guardians are expected to fully support the aims of the school with respect to the philosophy and education.
- Parents/guardians are required to attend Parent/Teacher Evenings once a term.
- Continued enrolment is dependent upon adherence to the school policies and rules, including the school's Behaviour Management Policy.
- The school has the power to suspend, exclude or expel or otherwise discipline students in accordance with the school's policies, and it is the responsibility of parent/guardians to be fully conversant with these policies. In the event of a child being withdrawn from school as a result of any disciplinary circumstances, fees for the current term will not be refunded.

**Please note: Lodgement of this application form does not constitute enrolment, nor does it guarantee enrolment at a future date.**

\* See Willunga Waldorf School's current "Fee Schedule" for amount payable.

I/We have read, understand and agree to the above conditions for admission to the Willunga Waldorf School.

## NOTICE ABOUT COLLECTION OF INFORMATION BY THE SCHOOL

1. The School collects personal information, including sensitive information about pupils and parents and guardians before and during the course of a pupil's enrolment at the School. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the School to provide schooling to the pupil and to enable them to take part in all the activities of the School.
2. Some of the information we collect is to satisfy the School's legal obligations, particularly to enable the School to discharge its duty of care.
3. Laws governing or relating to the operation of schools require that certain information is collected. These include relevant Public Health and Child Protection laws.
4. Health information about students is 'sensitive information' within the terms of the Australian Privacy Principles (APPs) under the *Privacy Act*. We may ask you to provide medical information and reports about your child from time to time.
5. The School, as required, either by law or as appropriate for proper discharge of our duties, will disclose personal and sensitive information to others for administrative and educational purposes. This includes disclosure to other schools, government departments, medical practitioners and people providing services to the School, including specialist visiting teachers, sports coaches and volunteers and counsellors.
6. Personal information collected from pupils is regularly disclosed to their parents or guardians. On occasions, information regarding academic and sporting achievements, student activities and similar news is published in School newsletters, magazines and on our website. Photographs of student activities such as sporting events, school camps and school excursions may be taken for publication in School newsletters and magazines and on our website. The School will obtain separate permissions from the student's parent or guardian prior to publication of photographs.
7. The School may store personal information in 'the cloud' which may mean that it resides on servers which are situated outside off Australia. The school stores all personal information in secure filing cabinets.
8. Parents or pupils may seek access to personal information collected about them by contacting the School. There will, however, be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the School's duty of care to the student, or where students have provided information in confidence.
9. The School Privacy Policy also sets out how you may register a complaint about a breach of privacy and how the School will deal with such a complaint.
10. The School also, from time to time, engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organizations that assist in the School's fundraising activities solely for that purpose. We shall not disclose your personal information to third parties for their own marketing purposes without your consent.
11. Your contact details may also be included in a Parent Directory, published each year. You will have the opportunity to advise us before the start of each year, whether you wish and consent to having your details included in this Directory.
12. If you provide the School with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the School and why, that they can access that information if they wish and that the School does not usually disclose the information to third parties.

---

I/We have read, understand and agree to the above Notice about collection of information by the school.
