

WHS001 – WORK HEALTH AND SAFETY POLICY

POLICY CONTEXT

Willunga Waldorf School is a co-educational and gender-inclusive school. The School's mission is to provide Steiner education from early childhood to year 12, based on the work of Rudolf Steiner. This education is driven by a deep understanding and respect for the developing and unfolding human being.

The School seeks to be a safe, just, compassionate, responsive and inclusive place for all its workers.

PURPOSE AND SCOPE

The School is committed to providing and maintaining a safe work environment for employees, contractors and visitors whilst complying with all current and relevant State, Territory and/or Federal legislation.

The purpose of this policy is to outline:

- The School's guiding principles to promote and maintain the health and wellbeing of all workers through workplace practices; and
- Expectations/requirements for workers to take responsibility for their own health and wellbeing.

Throughout this policy, "health and wellbeing" refers to both physical and mental health.

This policy applies to all employees, volunteers, agents and contractors (including temporary contractors) of the School, collectively referred to as "workers".

This policy is not intended to be contractual in nature.

POLICY STATEMENT

Willunga Waldorf School believes that the health and wellbeing of our workers is key to organisational success and sustainability. The School acknowledges its moral and legal duty to take all reasonable steps to ensure a safe working environment for all workers.

Workers also have a legal obligation to take all reasonable steps to ensure their own and others' health and safety. The School therefore requires that all workers work together to maintain a safe work environment and report any identified hazards and risks.

To reduce workplace health and safety risks, the School will ensure that we:

- Are compliant with all legislative requirements and work to meet best practice standards and codes at a minimum.
- Provide a safe and healthy work environment for all workers, students, parents and visitors.
- To build and maintain a workplace environment and culture that supports health and wellbeing and prevents discrimination (including bullying and harassment).
- Require new staff to complete a staff induction program to indicate awareness of specific safety policies and procedures.
- Facilitate rehabilitation activities as soon as possible after any work-related injury or illness.

- Provide safe equipment and systems of work.
- Provide procedures and instructions to ensure safe systems of work are implemented and accessible.
- Provide training, consultation and initiatives to enable all workers to improve health and safety in the workplace.
- Identify and manage workplace risks, and conduct investigations into all reported incidents, injuries and hazards including near misses.
- Identify and provide resources for support measures, to eliminate or minimise unsafe conditions.
- Consult with workers, customer and government agencies (where relevant) to enhance the effectiveness of safety practices.
- Conduct regular reviews and evaluations of the WHS management system.

RESPONSIBILITIES

School Leadership's responsibilities include but are not limited to:

- Taking reasonable steps to provide and maintain the workplace in a safe condition.
- Ensuring all WHS policies and procedures are implemented.
- Actively promoting and being involved in those policies and procedures.
- Providing information, instruction, training and supervision needed to make sure that all workers are safe from injury and risks to their health and safety.
- Conducting regular workplace inspections.
- Providing the resources to meet the School's WHS commitment, including the provision of external resources when required.

Workers' responsibilities include but are not limited to:

- Understanding this policy and seeking clarification from Leadership where required.
- Taking reasonable care for their own health and safety and ensure that their acts or omissions do not adversely affect the health and safety of others in the workplace.
- Following all WHS policies and procedures of the School and any other workplace that they may be required to work in their capacity as a school representative.
- Having a 'safety first' attitude; if workers see something wrong, fix it and report it
- Reporting all injuries, incidents, hazards, risks and "near misses" to one of the School's WHS Officers or the HR Administrator.
- Participating in WHS training and discussions as required/appropriate.
- Not wilfully interfering with or misusing items, equipment or facilities provided.

REPORTING A HAZARD OR RISK

Please report any hazards or risks in writing to hr@wws.sa.edu.au
